Costa del Sol, La Quinta

Absolutely breathtaking penthouse in Aqualina, with stunning Panormaic views from every single room.

This property used to be the show flat of Aqualina. The furniture is included in the sales price. Since finished, the owners have made some major changes with materials and additions.

For example on the solarium they have added glass curtains to give full privacy from the houses behind. They have added an amazing BBQ area (imported from USA). The list of additions goes on.

This property has never been lived in, so it is technically brand new!

It is a must see!
